

the door.

Sometimes you might
feel the need to open a
dark room because you
also feel kinda grey...

... but let me stop you.

You should hear my
voice more often.

You should reach out to
me.

Now let me take you on
a journey.

There are so many
reasons why
you are important.

Here, let me show you!

You were taking care of yourself
even when you didn't realize it.
When I'm looking at you, I'm seeing
someone that improves themselves
to be a better person for the others.

You are caring and
loving.

You always took time
for family and brought a
smile on their face.

And you are always
there for your friends.

Your help was always
appreciated.

Take a look at yourself.

Reflect.

I hope that you can see
your true colors now and
how much you mean for
everyone around you.
